SELX Market Report Store Cattle - 29th September 2017

Total Yarding: 1,021

Numbers lifted and there was a good run of cow-calf units. Weaners made up the bulk of the offering and there were several pens of yearling 12-14 months of age. The quality was only fair to good with most showing some effects of the dry conditions.

Weaner steers ranging up to 280kg in weights made from \$500 to \$780/head. Heavier weights \$725 to \$890/head. Medium weight weaner heifers sold between \$375 and \$660 and heavier weights reached \$680/head. Most of the weaner steers ranged between 240c and 270c and the heifers averaged around 205c/kg. Heavy yearling steers topped at \$950/head.

PTIC heifers reached \$1,050 and heavy cows \$1,075/head. Cows with their first calf at foot sold to \$1,675 and heavy Angus cows on their third calf topped the market reaching \$1,870/head.
